

**Table 1. Comparison of FY09 Title I-A Grants with Estimated FY09 Title I-A Grants with Altered Weights for the Targeted Grand and Education Finance Incentive Grant (EFIG) Formulas.**

**Source:** Table prepared by CRS, September 30, 2009, based on unpublished data provided by the U.S. Department of Education (ED), Budget Service. FY09 grant totals were calculated by ED. Estimated grants were calculated by CRS.

**Note:** The Targeted Grant and EFIG formulas were altered to drop the use of numeric weights in calculating grants for most local educational agencies (LEAs). FY09 grants and estimated FY09 grants are based on regular FY09 appropriations only. Funds appropriated under the American Recovery and Reinvestment Act of 2009 (P.L. 111-5) were not included in the analysis. Details may not add to totals due to rounding.

**Notice:** These are estimated grants only. These estimates are provided solely to assist in comparisons of the relative impact of alternative formulas and funding levels in the legislative process. They are not intended to predict specific amounts LEAs will receive. In addition to other limitations, data needed to calculate final grants may not be available yet.
